

Letter of Recommendation for Elahe Etminani

Visual Identity Design – KreativHolzWelt

We at KreativHolzWelt had the pleasure of collaborating with Elahe Etminani and her talented design team on the development of our complete visual identity. The scope of the project included our logo design, logo animation, corporate stationery set, workshop signage, as well as the uniform design, vehicle branding, and custom visual identity for our Instagram unit.

From the very beginning, the team approached the project with creativity, precision, and a deep understanding of our brand values. Their process was structured, collaborative, and attentive to detail. They took the time to understand our vision and translated it into designs that authentically reflect the spirit and philosophy of our brand — not only in print and digital formats but also in our physical presence and team representation.

The final outcome not only met but exceeded our expectations. We are extremely satisfied with the results and highly impressed by their professionalism, design quality, and commitment to excellence across all deliverables — from brand visuals to uniforms and branded fleet design.

We wholeheartedly recommend Elahe Etminani and her team to any business seeking a thoughtful and impactful visual identity. Should you wish to know more about our experience, please feel free to get in touch with us:

Sincerely,

Stephan Hader
